Education

- August 2019 – May 2023 📖 **University of North Texas**, 3.4.
Bachelor of Science in Psychology, Minors in German and Music.
- August 2015 – June 2019 📖 **Lone Star High School**, 3.7, Cum Laude.

Employment History

- July 2022 – Present 📖 **Registered Behavior Technician**, *Autism Response Team*.
Provide in-clinic behavioral health therapy services to children with autism. Implement behavior treatment plans based on applied behavior analysis. Teach adaptive, communication, life, self-care, and social skills. Input data on trials run with patients. Able to work across multiple clinics. Knowledge in and experience with Catalyst and CentralReach. Became registered on 04. January 2023.
- August 2021 – May 2023 📖 **Housing Ambassador**, *University of North Texas Department of Housing and Residence Life*.
Answer phone calls, emails, and in-person questions about on-campus housing and residence life. Give tours of all of thirteen residence halls.

Research Experience

- December 2021 – August 2023 📖 **Teen Stress and Alcohol Research (St.A.R.) Laboratory**. *Headed by Dr. Heidemarie Blumenthal*.
Recruit potential participants. Screen participants to determine eligibility status. Run participants through the study. Enter participants' data. Give talks at high schools in Denton and surrounding cities. Work in collaboration with another laboratory at UNT, Translational Addictions Research Consortium (T.A.R.C.).

Projects

- Spring 2023 📖 **Does a Family Know Better than a Victim?: The Ethics and Morality Behind Cult Deprogramming and Its Effectiveness**.
My English II class was a semester-long culmination of a research paper on a topic of our choice. This paper combines research from the semester as well as knowledge from my previous interest in the subject.
🌐 <https://tinyurl.com/yc5dzyde>
- 📖 **Charles Mingus and the American Dream**.
This paper for my History of Jazz class required we learn about Mingus, discuss whether we would rehire him as a U.S. diplomat, and describe the historical context of the 1970's.

Projects (continued)

- Spring 2022  **The Musician's Handbook.**
For my Music Business and Entrepreneurship class, I invented a business. I came up with all of the information to make this business a reality, including necessary expenditures, a market analysis, and the overall business structure.
 <https://tinyurl.com/3w8m327f>
-  **Partial Translation of Alban Berg's *Wozzeck* .**
For my German Translation class' project, I chose to translate *Wozzeck* and set my translation to Berg's music. This required me to have an understanding of how to make a text with an overarching rhythm make sense in another language.
 <https://tinyurl.com/4zsm2rrc>
- Fall 2020  ***Deutsche Pädagogik für Moderne Sänger: On the Merit of Armin's Stauprinzip.***
For my Honors Contract, I researched how *Stauprinzip* can be beneficial singers today. One of my sources was **Das Stauprinzip: Oder Die Lehre Von Dem Dualismus Der Menschlichen Stimme** by George Armin, which I translated myself.
 <https://tinyurl.com/y6qp8lcm>
- Spring 2020  **The Manifestations of Music Performance Anxiety in Relation to College-Aged Music Students.**
This is the paper I wrote for Introduction to Research (HNRS 1500), and it best describes my research interests.
